

DIESEL STRONG

PURE WORK UTILITY NEVER HAD IT SO GOOD.

Built with work capabilities as the top priority, the BRAHMA is a purebred work machine with uncaged hauling and pulling power that emphasizes ride quality, handling, and ultimate driver comfort.

Never worry about where to put your gear again. The BRAHMA sets the bar with class-leading storage options that include underhood and under-seat storage as well as side bin compartments, not to mention the 17 cubic ft all-steel cargo bed box.

Look like a pro wherever you go with standard automotive-style tail lights with turn signals and flasher lights.

If you're still not impressed, take a look at the BRAHMA's towering and class-leading ground clearance of 12.2" or sit in one and enjoy the fully adjustable seats and ample legroom.

FEATURES:

YANMAR 1000cc-class, 3-cylinder, 4-cycle, liquid-cooled, inline diesel engine

Electric power steering (EPS)

12.2 inches of ground clearance

1,000 lbs bed capacity

2,000 lbs towing capacity

Side mirrors standard on all models

Center rearview standard on semi-cab models

Large cabin with ample legroom and adjustable seating

Standard front and rear 2-inch receivers

Individual, fully adjustable, cushioned seats (slide, tilt, lumbar adjustment)

Adjustable ride height HPG shock absorbers

Four-wheel, twin-piston, large-diameter hydraulic disc brakes

Dual-range (Hi/Lo) drive and reverse with 4x4 and diff lock

Digital instrument panel, real-time information

Side bin and front hood storage standard for all models, under-seat storage bins standard on semi-cab
